

## **February 4, 2021 Parent Council Executive Board Meeting**

Attended: Dr. Targgart, Jessie Nesbitt, Melissa Luebbe, Marla Bulestein-Kyburz, Sarah Jacquier, Zack Antalis

We have around \$300 left in the fast grant fund. We'll let that run out and then decide if we would like to ask for more donations after the library fundraiser in March.

We have \$7200 in the bank and should have at least \$5000 to begin next year to buy t-shirts and give some money to the teachers to start out with. We're doing a good job of fundraising and getting the money out.

Possible opportunities to raise money:

- Chipotle
- Payless
- Amazon Smile
- Box Tops

Grade level school supply lists will be out by Friday so we can start working with EPI to work on school supply kits for next year.

PC will try to find a sponsor for a teacher appreciation week lunch in May (Marla will be working on this). Igloo Truck is a possible idea? Monster cookies from the Homestead are another idea.

We also talked about the possibility of finding a food truck to come to the school once a month and possibly open it up to the community while giving teachers VIP access to cut the line.

Mrs. Gerlach is retiring—PC to buy something, maybe flowers.

Possible Field Day in May with the potential to have masked, distant volunteers outside. Think of ideas that don't require a lot of supplies that need to be disinfected. Water balloons?

Meeting next on April 16<sup>th</sup> at 9 a.m.

We also talked about having a public PC meeting via Zoom.
